

Google Australia PhD Fellowships

- Dominick Ng, Google Australia Fellowship in Natural Language Processing (The University of Sydney)
- Trung Pham, Google Australia Fellowship in Computer Vision (The University of Adelaide)
- Xi Yang, Google Australia Fellowship in Energy Aware Computing (The Australian National University)

Google China PhD Fellowships

- Yin Zhu, Google China Fellowship in Mobile Computing (*Hong Kong University of Science and Technology*)
- Fan Bu, Google China Fellowship in Natural Language Processing (*Tsinghua University*)
- Rui Yan, Google China Fellowship in Text Mining (*Peking University*)
- Nan Wang, Google China Fellowship in Machine Learning (*Tsinghua University*)

Google European Doctoral Fellowships

- Jisun An, Google Europe Fellowship in Social Computing (University of Cambridge, United Kingdom)
- Katerina Böhmova, Google Europe Fellowship in Optimization Algorithms (Swiss Federal Institute of Technology Zurich, Switzerland)
- Karl Bringmann, Google Europe Fellowship in Randomized Algorithms (Saarland University / Max Planck Institute for Computer Science, Germany)
- Amit Daniely, Google Europe Fellowship in Learning Theory (The Hebrew University of Jerusalem, Israel)
- Yarin Gal, Google Europe Fellowship in Machine Learning (University of Cambridge, United Kingdom)
- Xiong Jie, Google Europe Fellowship in Wireless Networking (University College London, United Kingdom)
- Jakub Lacki, Google Europe Fellowship in Graph Algorithms (University of Warsaw, Poland)
- Luo Mai, Google Europe Fellowship in Cloud Computing (Imperial College London, United Kingdom)
- Fragkiskos Malliaros, Google Europe Fellowship in Graph Mining (École Polytechnique, France)
- Tobias Mühlbauer, Google Europe Fellowship in Structured Data Analysis (Technische Universität München, Germany)
- Thomas Müller, Google Europe Fellowship in Natural Language Processing (University of Stuttgart, Germany)
- Georg Neis, Google Europe Fellowship in Programming Technology (Max Planck Institute for Software Systems, Germany)
- Merav Parter, Google Europe Fellowship in Distributed Computing (Weizmann Institute of Science, Israel)
- Ori Rottenstreich, Google Europe Fellowship in Computer Networking (Technion - Israel Institute of Technology, Israel)
- Shai Vardi, Google Europe Fellowship in Game Theory (Tel Aviv University, Israel)

Google India PhD Fellowships

- Jayvant P Anantpur, Google India Fellowship in Programming Languages and Compilers (*Indian Institute of Science*)
- Tanmoy Chakraborty, Google India Fellowship in Social Computing (*Indian Institute of*

Technology Kharagpur)

- K Sai Deepak, Google India Fellowship in Computer Vision (*International Institute of Information Technology, Hyderabad*)
- Girish Varma, Google India Fellowship in Algorithms (*Tata Institute of Fundamental Research*)

Google United States/Canada PhD Fellowships

- Ashton Anderson, Google U.S./Canada Fellowship in Social Computing (*Stanford University*)
- Charles Curtsinger, Google U.S./Canada Fellowship in Software Performance (*University of Massachusetts Amherst*)
- David Hall, Google U.S./Canada Fellowship in Natural Language Processing (*University of California, Berkeley*)
- Chris Harrison, Google U.S./Canada Fellowship in Human Computer Interaction (*Carnegie Mellon University*)
- Te-Yuan Huang, Google U.S./Canada Fellowship in Multimedia Networking (*Stanford University*)
- Suman Jana, Google U.S./Canada Fellowship in Security (*University of Texas at Austin*)
- Jingwan Lu, Google U.S./Canada Fellowship in Artistic Graphics (*Princeton University*)
- Tyler Lu, Google U.S./Canada Fellowship in Computational Economics (*University of Toronto*)
- James Martens, Google U.S./Canada Fellowship in Machine Learning (*University of Toronto*)
- Ankit Singla, Google U.S./Canada Fellowship in Datacenter Networking (*University of Illinois at Urbana-Champaign*)
- Panagiotis Toulis, Google U.S./Canada Fellowship in Statistics (*Harvard University*)
- Etienne Vouga, Google U.S./Canada Fellowship in Computer Graphics (*Columbia University*)
- Hongning Wang, Google U.S./Canada Fellowship in Search and Information Retrieval (*University of Illinois at Urbana-Champaign*)
- Jianxiong Xiao, Google U.S./Canada Fellowship in Computer Vision (*Massachusetts Institute of Technology*)
