OPTIONAL ADDENDUM
(APPLICABLE FOR PIXEL 2 AND PIXEL 2 XL)

This Addendum when attached provides the original service contract holder ENHANCED HARDWARE AND SOFTWARE SUBSCRIBER ASSISTANCE in addition to the TELEPHONE HARDWARE AND SOFTWARE SUBSCRIBER ASSISTANCE that is referenced in the Service Contract. This language becomes part of the Service Contract as follows:

Under the IF YOU NEED SERVICE section, the following provision is added:

ENHANCED HARDWARE AND SOFTWARE SUBSCRIBER ASSISTANCE: To arrange for service, You can access assistance via the website indicated on the Declarations Page. A service representative will assist You by telephone and/or remote online support to diagnose any technical difficulties that may exist with Your Product's hardware or preloaded manufacturer's software.

To the extent that Our diagnosis confirms a covered hardware failure, We will process Your claim and arrange for any applicable service of Your Product. Our level of technical service does not support customized or proprietary software, applications not included by the manufacturer of Your Product at no additional cost, or software errors that confirm improperly functioning or defective software. This Service Contract also includes dedicated call assistance and expert sessions, which provides additional technical support for Product hardware and preloaded manufacturer's software functionality, operating system configuration and data storage.

Please note that the dedicated call assistance and expert sessions are not transferable with this Service Contract.

When ENHANCED HARDWARE AND SOFTWARE SUBSCRIBER ASSISTANCE applies, the introductory sentence for the REPLACEMENT OPTION provision is revised and the provision reads as follows:

REPLACEMENT OPTION: At Our option, following Our diagnosis, We will either:

1) Replace Your Product with a new, refurbished, or recertified product of like kind and quality if We are unable to repair Your Product or if the repair cost exceeds the current retail replacement value of Your Product. While We will try to accommodate specific replacement preferences such as equipment color, cosmetics, or features, this request is not guaranteed. The price of the replacement product shall not exceed the maximum replacement value of the original Product less any applicable deductible. If We replace Your Product, We will ship the replacement product to You; or
2) Issue a cash credit equal to the value of the replacement product, not to exceed the maximum replacement value of the original Product less any applicable deductible. The cash credit, with Your authorization, will be deposited in Your account with the Service Contract Seller's Account and may be used by You toward the purchase of any eligible replacement product of Your choice; or
3) Provide a settlement equal to the value of the replacement product, not to exceed the maximum replacement value of the original Product less any applicable deductible.

When You receive either the replacement product, cash credit, or settlement, the damaged/unrepairable Product becomes Our property. You are responsible for returning the damaged/unrepairable Product to Us and any subsequent shipping costs such as express or expedited shipping, or any reshipping expenses.

Once We receive the damaged/unrepairable Product, We will inspect the Product and validate that the reported hardware failure is covered under this Service Contract. Should We determine that the failure resulted from an Exclusion in this Service Contract, We will contact You with Our findings and arrange either to:

1) Charge to You the difference between the value of the replacement product, cash credit, or settlement and the current market value of the damaged/unrepairable Product; or
2) Return the Product to You and charge You the value price of the replacement product, cash credit, or settlement; or
3) Return the Product to You after We receive the replacement product, cash credit, or settlement. The returned replacement product must be in the same condition that We sent it to You.
