- (b) **License Grant.** Registry Operator will determine, in its sole discretion, whether it will provide the Registry Tool Kit to Registrar. Upon Registry Operator's delivery of the Registry Tool Kit, APIs, and/or Supported Protocol to Registrar, then, subject to the terms and conditions of this Agreement, Registry Operator thereby grants Registrar a non-exclusive, nontransferable, worldwide, limited license to use the Registry Tool Kit, APIs, and/or Supported Protocol and any supporting documentation solely to provide domain name registration services in the Registry TLD under this Agreement.

(ii) Registry Operator may from time to time

modify the APIs or the Supported Protocol in its sole discretion. 2.10. Handling of Personal Data. Registry Operator shall provide notice to Registrar (including via Registry Operator's Privacy Policy) of the purposes for which Personal Data submitted to Registry Operator by Registrar under this Agreement is collected and used and the intended recipients (or categories of recipients) of such Personal Data. Registry Operator shall not use or share, or authorize the use or sharing of, Personal Data in a way that is incompatible with such notice and/or its Privacy Policy. Registry Operator shall take reasonable steps to protect Personal Data from loss, misuse or unauthorized disclosure, alteration or destruction.

adopted by any industry group generally recognized as authoritative with respect to the Internet (e.g., RFCs); (ii) to correct mistakes made by Registry Operator or any registrar in connection with a domain name registration; (iii) to protect the rights and property of the Registry Operator and to avoid any potential or actual liability, civil or criminal, on the part of the Registry Operator as well as its affiliates, subsidiaries, officers, directors, representatives, employees, and stockholders; (iv) to protect the integrity and stability of the Registry System and the operation of the DNS; (v) to comply with all Applicable Laws, government rules or requirements, requests of law enforcement or any applicable dispute resolution process; or (vi) for violation of the terms and conditions set forth in any applicable Registration Agreement;

- (b) to the extent permitted by Applicable Law, indemnify, defend and hold harmless Registry Operator, its parent company and subcontractors, and its and their directors, officers, employees, agents, and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to, for any reason whatsoever, the Registered Name Holder's domain name registration. The Registration Agreement shall further require that this indemnification obligation shall survive the termination or expiration of the Registration Agreement;
- (c) to the extent permitted by Applicable Law, consent to the collection, use, distribution, publication and sharing of any Registered Name Holder's Personal Data by Registry Operator and its designees and agents, in a manner consistent with the purposes specified in any notice provided to Registrars pursuant to Subsection 2.10 of this Agreement;
- (d) submit to proceedings commenced under, and abide by all decisions made by panels in accordance with, the UDRP, PDDRP and the URS;

- (f) provide accurate registration information for the Registered Name (including e-mail address confirmed by return e-mail or other method), and immediately correct and update the registration information for the Registered Name during the registration term for the Registered Name;
- (g) comply with the terms and conditions of the Registry Operator's initial launch of the Registry TLD (including without limitation all of the applicable periods defined in the Registry TLD's Startup Policy) and further acknowledge that Registry Operator has no liability of any kind for any loss or liability resulting from the proceedings and processes relating to any of the applicable registration periods defined in the Startup Policy for the Registry TLD, including, without limitation (i) the ability or inability of a registrant to obtain a Registered Name during the periods defined therein, and (ii) the results of any dispute over registrations that are an identical match to trademarks or service marks listed in the Trademark Clearinghouse;
- (h) refrain from: distributing malware, abusively operating botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise engaging in activity contrary to Applicable Law. Registrar shall provide (consistent with Applicable Law and

any related procedures) consequences for such activities including suspension of the domain name;

- (i) comply with all Applicable Laws, including those that relate to privacy, data collection, consumer protection (including in relation to misleading and deceptive conduct), fair lending, debt collection, organic farming, disclosure of data, and financial disclosures; and
- (j) to the extent it collects and maintains sensitive health and financial data, implement reasonable and appropriate security measures commensurate with the offering of those services, as defined by Applicable Law.

3.5. Compliance with Additional Terms and Conditions. Registrar shall comply with the requirements contained in each of the following, and further shall include in its Registration Agreement with each Registered Name Holder, as applicable, an obligation for such Registered Name Holder to comply with each of the following:

- (b) Terms and conditions, technical policies and other policies applicable to the Registry Tool Kit, APIs, Supported Protocol, or access and use of Registry Operator’s website(s); and
- (c) Registry Policies, which shall become effective upon thirty (30) days’ notice (unless otherwise set forth herein) from Registry Operator to Registrar. Registry Operator will provide additional notice (unless otherwise set forth herein) should any updates or modifications to such Registry Policies materially impact Registrar’s operations or product development.

3.6. Rights Protection Mechanisms. Registrar shall implement and adhere to any rights protection mechanisms (“RPMs”) that may be mandated from time to time by ICANN or Registry Operator, including without limitation the PDDRP, URS and UDRP dispute resolution processes. Registrar will receive all PDDRP, URS and UDRP complaints and decisions regarding the Registry TLD. After receiving a UDRP complaint about a domain name within the Registry TLD, Registrar will ensure that such domain name is locked within two (2) business days of receipt of such complaint and will notify the Registered Name Holder. Registrar will immediately provide notice to Registrar-Support@CharlestonRoadRegistry.com and any Registry Services provider in the event that Registrar receives notice of a determination in favor of complainant. Registrar shall provide the Trademark Claims Service for the entire period that registration is open for general registration. In connection with URS complaints received relating to domain names within the Registry TLD, Registrar will collect and process payments for a 1-year renewal (but no more) by a complainant desiring to extend the URS suspension.

3.7. Data Submission Requirements. As part of its registration and sponsorship of Registered Names in the Registry TLD, Registrar shall submit to the Registry System complete data as required by technical specifications of the Registry System that are made available to Registrar from time to time. Registrar hereby grants Registry Operator a non-exclusive, royalty free, non-transferable, limited license to such data for propagation of and the provision of authorized access to the TLD zone files and as otherwise required for

Registry Operator to meet its obligations to ICANN and/or for Registry Operator's operation of the Registry TLD.

3.8. Security and Abuse. The Registrar will use its best efforts to implement such security provisions, practices or technology within a reasonable time.

3.9. Resolution of Technical Problems. Registrar shall employ necessary employees, contractors, or agents with sufficient technical training and experience to respond to and fix all technical problems concerning access to the Registry System and/or the use of the Registry Tool Kit, APIs, and Supported Protocol in conjunction with Registrar's systems. Registrar agrees that in the event of significant degradation of the Registry System or other emergency, Registry Operator may, in its sole discretion, temporarily suspend or restrict access to the Registry System (making reasonable efforts to provide prior notice thereof if possible). Such temporary suspensions shall be applied in a non-arbitrary manner and shall apply fairly to any registrar similarly situated, including any affiliates of Registry Operator.

- (a) The receiving Party will: (i) use such Confidential Information solely for the purpose of exercising its rights or performing its obligations under this Agreement, (ii) not disclose such Confidential Information unless permitted under this Agreement, and (iii) use reasonable efforts to preserve the confidentiality of such Confidential Information, including implementing reasonable security measures designed to protect such information.
- (b) Notwithstanding the foregoing, the restrictions provided under Subsection 6.1(a) will not apply to: (i) any disclosure that is required by the Registry Agreement or Applicable Laws, legal process

or governmental authority, provided that the receiving Party (A) uses reasonable efforts to notify the disclosing Party in advance of the required disclosure to provide the disclosing Party an opportunity to obtain a protective order to limit such disclosure, (B) cooperates with the disclosing Party in seeking such protective order or other remedy, and (C) limits the disclosure to only that information that must be disclosed to comply with applicable request; (ii) any use by or disclosure to the receiving Party's officers, employees, contractors and agents who have a demonstrable need to know the disclosing Party's Confidential Information, provided that the receiving Party shall advise such personnel of the confidential nature of such information and take reasonable steps to maintain the confidentiality thereof; or (iii) any use or disclosure of Confidential Information made with the specific prior written consent of the disclosing Party.

- (c) The receiving Party's duties under this Subsection 6.1 shall expire five (5) years after the information is received or earlier, upon written agreement of the Parties, except that, for Registrar, such duties will extend indefinitely for Personal Data provided by Registry Operator to Registrar.

6.2. Intellectual Property. 7. INDEMNIFICATION

7.1 Indemnification. Registrar, at its own expense and within thirty (30) days after presentation of a demand by Registry Operator under this Section, will indemnify, defend and hold harmless Registry Operator, its parent company and each of their employees, directors, officers, representatives, agents and affiliates, against any claim, suit, action, or other proceeding ("**Claim**") related to: (a) any breach of this Agreement by Registrar; (b) any product or service of Registrar; (c) any agreement, including Registrar's dispute policy, with any Registered Name Holder of Registrar; or (d) Registrar's domain name registration business, including, but not limited to, Registrar's advertising, domain name application, registration, and transfer of ownership processes, systems and other processes, fees charged, billing practices and customer service.

admission or acknowledgment of, any liability or wrongdoing (whether in contract, tort or otherwise) on the part of Registry Operator or otherwise requires Registry Operator to take or refrain from taking any material action (such as the payment of fees or other amounts). (c) Registrar will pay any and all costs, damages, and expenses, including, but not limited to, reasonable attorneys' fees and costs awarded against or otherwise incurred by Registry Operator in connection with or arising from any such indemnifiable Claim.

8. LIMITATION OF LIABILITY

NEITHER PARTY SHALL BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES, OR ANY DAMAGES RESULTING FROM LOSS OF PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. 10. DISPUTE RESOLUTION; CHOICE OF LAW; VENUE

This Agreement, and any disputes arising out of or relating to this Agreement, shall be governed by, construed and enforced in all respects in accordance with the laws of the State of California, United States of America ("USA") without regard to the conflict of laws or choice of law provisions thereof. 11. TERM AND TERMINATION

11.1 Term of the Agreement; Revisions. The term of this Agreement shall commence on the Effective Date and continue until terminated by either Party in accordance with the provisions of this Agreement. In the event that revisions to Registry Operator's approved form of registry-registrar agreement for the Registry TLD are approved or adopted by ICANN, Registry Operator may notify Registrar that it has thirty (30) days from the date of notice of any such revision ("**Notice Period**") to execute an amendment substituting the

revised agreement in place of this Agreement. In the event of such notice, Registrar may, at its option exercised within the Notice Period, terminate this Agreement immediately by giving written notice to Registry Operator; provided, however, that in the event Registry Operator does not receive such executed amendment or notice of termination from Registrar by the end of the Notice Period, Registrar shall be deemed to have executed such amendment.

11.2 Termination. This Agreement may be terminated as follows:

11.2.1. Termination for Cause. In the event that either Party materially breaches any of its obligations under this Agreement and such breach is not substantially cured within thirty (30) days after written notice thereof is given by the other Party, then the non-breaching Party may, by giving written notice thereof to the other Party, terminate this Agreement as of the date specified in such notice of termination. The Parties agree that failure to comply with the obligations in, or breach of, the Registry Policies or Registrar Abuse Policy, shall constitute a material breach under this Section 11.2.1. In addition, if Registrar materially breaches this Agreement and such breach is not substantially cured within thirty (30) days after written notice thereof is given by Registry Operator, then Registry Operator may, by giving written notice thereof to Registrar, terminate Registrar's rights in the Registry TLD as of the date specified in such notice of termination.

11.2.2. Termination at Will. Either Party may terminate this Agreement at any time by giving the other Party thirty (30) days' written notice of such termination.

11.2.6. Termination in the Event of Insolvency or Bankruptcy. Either Party may terminate this Agreement if the other Party is adjudged insolvent or bankrupt, or if proceedings are instituted by or against a Party seeking relief, reorganization or arrangement under any laws relating to insolvency, or seeking any assignment for the benefit of creditors, or seeking the appointment of a receiver, liquidator or trustee of a Party's property or assets or the liquidation, dissolution or winding up of a Party's business.

11.2.7. Termination in the Event of a Change of Control. If Registrar experiences a change of control (for example, through a stock purchase or sale, merger, or other form of corporate transaction): (a) Registrar will give written notice to Registry Operator within thirty (30) days after the change of control; and (b) Registry Operator may immediately terminate this Agreement any time between the change of control and thirty (30) days after it receives that written notice.

11.3 Effect of Termination. (a) Upon any termination of this Agreement, Registry Operator will complete the registration of all domain names processed by Registrar prior to the effective date of such expiration or termination to the extent it is able to do so, provided that Registrar's payments to Registry Operator for Fees and Variable Fees are current and timely. (b) Promptly upon any termination of this Agreement, Registrar shall: (i) pay all outstanding Fees or Variable Fees owed by Registrar to Registry Operator; (ii) transfer its sponsorship of Registered Names to another ICANN-accredited registrar in compliance with Part B of the Transfer Policy and any other applicable procedures established or approved by ICANN or the U.S. Department of Commerce, as appropriate; and (iii) return to Registry Operator, or at Registry Operator's option, destroy (and certify in writing such return or destruction) any and all of Registry Operator's Confidential Information received by Registrar pursuant to this Agreement. (c) Neither Party shall be liable to the other for damages of any sort resulting solely from terminating this Agreement in accordance with its terms.

12. MISCELLANEOUS

12.2 Investigations. Nothing in this Agreement, or in any Registration Agreement will be construed to limit Registry Operator's right and ability to investigate, monitor, protect against, or remediate in response to a computer network intrusion or attack or other instance of misuse, abuse, or otherwise unlawful use of the DNS.

12.3 Assignment. Registrar shall not assign, sublicense or transfer its rights or obligations under this Agreement to any third person without the prior written consent of Registry Operator, which consent will not be unreasonably withheld. Registry Operator may assign its rights or obligations under this Agreement to an affiliate or its parent company without the consent of Registrar. Except as otherwise expressly provided herein, the provisions of this Agreement shall inure to the benefit of and be binding upon, the successors and permitted assigns of the Parties hereto.

Except as otherwise provided herein, any notice or other communication required or permitted to be delivered to any Party under this Agreement shall be in writing and shall be deemed properly delivered, given and received when delivered (by hand, by registered mail, by courier or express delivery service, by e-mail during business hours) to the address set forth beneath the name of such Party below,

12.6 Third-Party Beneficiaries. The Parties expressly agree that ICANN is an intended third-party beneficiary of this Agreement. Otherwise, this Agreement shall not be construed to create any obligation by either Party to any non-party to this Agreement, including any holder of a Registered Name. Registrar acknowledges that nothing in this Agreement, including those requirements in this Agreement that incorporate the Registry Agreement, shall confer upon Registrar the status of an intended third-party beneficiary to the Registry Agreement.

12.7 Relationship of the Parties. Nothing in this Agreement shall be construed as creating an employer-employee or agency relationship, a partnership or a joint venture between the Parties.

12.8 Force Majeure. Neither Party shall be responsible for any failure to perform any obligation (other than payment obligations) or provide service hereunder because of any act of God, strike, work stoppage, governmental acts or directives, war, riot or civil commotion, equipment or facilities shortages which are being experienced by providers of telecommunications services generally, or other similar force beyond such Party's reasonable control.

12.9 Amendments. Except as otherwise provided herein, no amendment, supplement, or modification of this Agreement or any provision hereof shall be binding unless executed in writing by both Parties or via electronic means via AROS (if AROS contains such functionality). Registry Operator may revise any URLs noted herein from time to time in its sole discretion upon notice to Registrar.

12.10 Waivers. No failure on the part of either Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of either Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise or waiver of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. Neither Party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a

written instrument duly executed and delivered on behalf of such Party; and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

12.11 Attorneys' Fees. If any legal action or other legal proceeding (including arbitration) relating to the performance under this Agreement or the enforcement of any provision of this Agreement is brought against either Party hereto, the prevailing Party shall be entitled to recover reasonable attorneys' fees, costs and disbursements (in addition to any other relief to which the prevailing Party may be entitled).

12.12 Further Assurances. Each Party hereto shall execute and/or cause to be delivered to each other Party hereto such instruments and other documents, and shall take such other actions, as such other Party may reasonably request for the purpose of carrying out or evidencing any of the transactions contemplated by this Agreement.

12.13 Entire Agreement. This Agreement (including any exhibits, which form a part of it) constitutes the entire agreement between the Parties concerning the subject matter of this Agreement and supersedes any prior agreements, representations, statements, negotiations, understandings, proposals or undertakings, oral or written, with respect to the subject matter expressly set forth herein.

12.14 Severability. If any provision contained in this Agreement is found to be unenforceable, it and any related provisions will be interpreted to best accomplish the essential purpose of the unenforceable provision, and the rest of the Agreement will continue to remain in effect.

12.15 Construction; Conflicts. The Parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party shall not be applied in the construction or interpretation of this Agreement. If there is a conflict between a term of this Agreement and a term of a policy, exhibit, or other document referenced herein, the term of this Agreement shall govern.
