

2019 Google for Education services offer

As a US or Canada-based K-12 district or independent school interested in buying Chromebooks and Chrome Education licenses in 2019, you may be eligible to receive **free services** along with your purchase.

These services, delivered by trusted Google for Education partners, are designed to help your school get the most out of Google for Education tools. See the below chart for examples* of services you might receive based on the size of your purchase.

Three simple steps to get started

- 1 **Complete your Chromebook & Chrome Education license purchase**
Proof of purchase is required (via invoice)
- 2 **Confirm your purchase by filling out [this form](#) and select the service that's best for your organization**
Choose one of three service offerings from the available categories: IT / Deployment Support, Professional Development, Transformation Services
- 3 **Hit the ground running**
Work with your partner of choice to determine and implement the services that best fit your organization's needs
