

1 Profile photo

Minimum upload width is 250 px (recommended is 500x500)
 Recommended file formats: jpg, png
 The profile photo will be used in smaller versions.
 To make sure the selected picture works, resize it to 48x48 px.
 It will appear with the corners cropped off (in a circle) in some cases.

2 Cover photo

The cover photo image will be displayed as a 16x9 ratio beneath the profile picture.
 Minimum upload width is 480 px.
 The actual pixel dimension of the photo is responsive to the size of the user's browser, recommend making images at 2120x1192 px.
