POWERED BY Google Cloud

Google Skills Access for Startup School: GenAI Media

Here are the detailed instructions on how to redeem the credits via URL that was sent to you in an e-mail or shared during one of the sessions:

*Hint: To find the email with the URL look for the message with “**Get ready to go Nano Bananas & beyond with Startup School: GenAI Media 🍌**” or “**You're confirmed to attend Startup School: GenAI Media**” if you registered after Oct 24th)*

1. Make sure you are **signed out** from Google Skills platform, and later on do not select the “**Sign In with Google**” option to log in.
2. Open an incognito window (**CTRL/CMD+SHIFT+N**) on your browser and open the URL provided in the reminder email or the one shared during the sessions (if you have registered just recently);
3. Sign in to your **Google Skills account**. If you did not already have a Google Skills account, you'll need to create one by clicking on the join button;
4. **Verify receiving 9 credits** upon successful sign-in using the [profile link](#).
5. Search for and perform the Lab called “**A Tour of Google Cloud Hands-on Labs**”. Click the green “**Start Lab**” button to launch the lab, follow the instructions in the lab and complete it with a **100%** assessment score. Please ensure you spend at least 6 minutes in the lab (refer to the lab countdown timer);
6. Click the “**End Lab**” button & submit the lab feedback, if any. You will now see that you have received **200 credits** [in your account](#). **Note that a few minutes delay might happen when updating your Credits amount.**
7. If you have any problems, please contact the Google Skills support team via email on support-skills@google.com or via live chat, directly on the Google Skills platform.

Important:

The URL provided will be valid for credit redemption for the next **30 days** only.
