[[End Data - Google Home Speaker]]

[footnotes]

1 Storage specifications refer to capacity before formatting. Actual formatted capacity will be less.

2 Google Home Speaker requires a Wi-Fi network and Internet, a Google Account, Google Home app, and nearby electrical outlet.

3 [Requires Google Home app, Wi-Fi, and internet connection. Features subject to change; available in select countries and languages. Gemini features work independently of Gemini apps. Check responses for accuracy; results may vary.](#)

4 Based on retail packaging (excluding adhesive materials and required plastic stickers) as shipped by Google. To meet the request of some retail partners, stickers and/or security tags are applied to some packaging variations and may contain plastic.
