

Nest Learning Thermostat
(4th gen) - Retail SKU

Nest Learning Thermostat
(4th gen) Pro - Pro SKU

For easier, faster installs, look for the gear.

The 2.4 software update brings major upgrades to the Nest Learning Thermostat (4th gen), including the fastest setup yet – on the device or in the Google Home app.¹ And you can access every essential setting directly on the wall, so servicing and troubleshooting are simpler than ever before.¹

Check for the gear icon on the back of the packaging to be sure you get the latest updates right out of the box.

Become a Nest Pro today at g.co/nestpro
