

# Nest Cam

Know more. Outside or in.

## Get more with wired power.

Wiring Nest Cam unlocks more benefits, like longer video clips, continuous event recording, and pre-roll functionality.<sup>1,2</sup>

## The anywhere camera.

With three installation options and a range of accessories, it's designed to go almost anywhere, outdoors or in.

## Built-in intelligence.

Nest Cam detects important activity and sends alerts for people, animals, and vehicles.<sup>2</sup> With Activity Zones, users can choose to get alerts only in specific areas.

## Better together.

Nest Cam is designed to work with other products – and enable solution selling for you. Pair it with Nest Hub so customers can view their live feed on the display.<sup>3</sup>

## Reliable video security.

### Keep customers connected.

With live 1080p HD video, HDR, and night vision, your customers can check in anytime, or see what they missed with 3 hours of free event video history.<sup>4</sup>

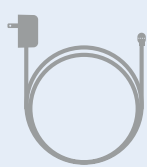

### Wi-Fi problems? Not a problem.

If the Wi-Fi goes down or there's a power outage, Nest Cam can automatically store up to 1 hour of recorded events in its local memory.<sup>5</sup>

Did you know?  
Customers receive an exclusive 3-year warranty on their Nest Cam with professional installation.

With three power options to choose from, Nest Cam is the only security camera you'll need on your truck.

## Accessories you'll need.

### A cable for wired power.

Install it with a weatherproof power cable (sold separately) for continuous power and 24/7 video recording with a Nest Aware subscription.

### Add extra protection.

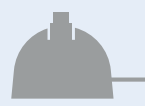

If you're mounting the camera higher than 6.5 feet off the ground, you'll also need to add a Wasserstein Anti-Theft Mount to keep Nest Cam safe and secure.<sup>7</sup>

## More helpful accessories.

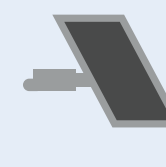

### Flexible power.

The Wasserstein Power Over Ethernet Adapter gives you the option to power Nest Cam with an Ethernet cable.<sup>8</sup>

### Secure and fully charged.

Use the wired stand to place Nest Cam on a shelf – no need to worry about charging.

### Solar powered.

Add a solar charger to make sure Nest Cam never runs out of juice. The unique 360-degree wall mount makes it easy to find the right position.<sup>9</sup>
