Requirements

Nest Cam:

- **Nest Cam camera:** Nest Cam Outdoor requires a working Wi-Fi network, a compatible mobile device, the Google Home app, and a Google Account. 3.3mbps upload

bandwidth recommended per camera. Minimum requirements are available [here](#), or see [g.co/nest/requirements](#) for more.

- **Nest Cam features:** Availability and performance of certain features and services are service-, device-, and network-dependent and may not be available in all areas. All features, functionality, and other product specifications are subject to change without notice or obligation.
- Google Home Premium subscription (sold separately) required for certain features, including Gemini for Home and some AI experiences. Additional terms, conditions, and charges may apply.

Footnotes

1 Requires Google Home Premium subscription (sold separately), Google Home app, Wi-Fi, and internet connection. Features subject to change; available in select countries and languages. Gemini features work independently of Gemini apps. Check responses for accuracy; results may vary.

2 Availability of 2K resolution is dependent on Wi-Fi and network strength, and requires connectivity speed of at least 3.3Mbps.

3 Some features, including mobile and browser notifications, remote control, video recording, video streaming and video history, require the Google Home app and working internet and Wi-Fi.

4 Based on product weight (includes in-box accessories).

5 Based on retail packaging (excluding adhesive materials and required plastic stickers) as shipped by Google. To meet the request of some retail partners, stickers and/or security tags are applied to some packaging variations and may contain plastic.

6 Nest Cam Outdoor is designed to comply with protection rating IP65 under IEC standard 60529 when the device leaves the factory, offering resistance against water and dust but is not waterproof. Water and dust resistance are not permanent conditions and decrease or are lost over time due to normal wear and tear, device repair, disassembly, or damage.
