1 Availability of 2K resolution is dependent on Wi-Fi and network strength, and requires connectivity speed of at least 3.3Mbps. 2 Requires Google Home Premium Advanced plan (sold separately), Google Home app, Wi-Fi, and internet connection. Features subject to change; available in select countries and languages. Gemini features work independently of Gemini apps. Check responses for accuracy; results may vary. 3 Compared to earlier Nest Doorbell models. 4 Some features, including mobile and browser notifications, remote control, and sound detection, require the Google Home app and working internet and Wi-Fi. Compatible smart devices sold separately. 5 Home Automations may require additional enrollment and setup, and compatible smart home devices (sold separately).
