

Your Nest Pro ID Smarter than stickers

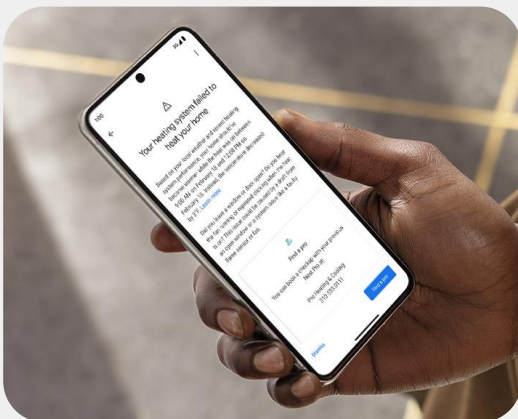

Enter your Nest Pro ID
at installation.

When customers get an
alert, they have the option to
book directly with you.

Your Nest Pro ID is your key to connecting with customers, earning rewards, and offering extended warranties.

Win new business with HVAC System Health Monitor¹ (formerly HVAC monitoring)

Entering your Nest Pro ID means HVAC System Health Monitor alerts can include your contact details, making it easier for customers to get in touch. Just opt in for HVAC repair jobs on the Nest Pro site.¹

Earn fun and useful rewards

Visit the Nest Pro site to sign up for rewards and earn points every time you install an eligible Nest device. Redeem points for Nest products to reinvest in your business, or choose name-brand electronics or fun experiences.

Get an extended Pro warranty

Nest thermostats get an extended warranty when they're installed by a Nest Pro. Just enter your Nest Pro ID during setup.

¹Alerts can notify you of a potential issue with an eligible HVAC system. They're meant to provide helpful information, not an endorsement, representation, or warranty of any kind about the health of your HVAC system. Alerts aren't intended to replace a diagnosis by a qualified HVAC professional.

Start unlocking the benefits of a Nest Pro ID today

Step 1

Become a Nest Pro at g.co/nestpro

Step 2

Give your Pro ID to your techs

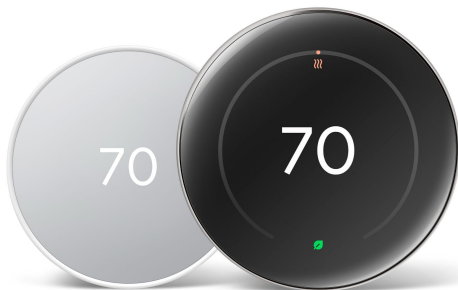

Step 3

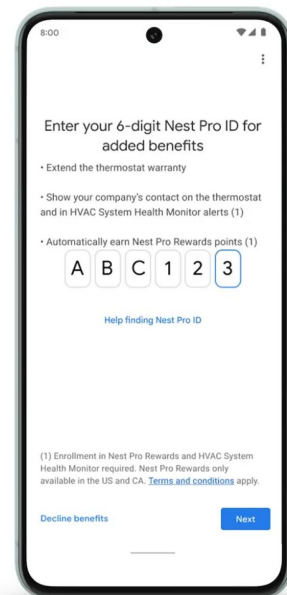

Enter your Pro ID on every Nest thermostat install

How to enter your Nest Pro ID

It takes less than a minute, and means you can collect reward points, provide extended warranties, and receive HVAC repair requests.

When you install the **Nest Thermostat** and **Nest Learning Thermostat (4th gen)**, enter your Nest Pro ID using the Google Home app on your phone. You only need to enter it once, and your phone will remember it and automatically add it on future **Nest Learning Thermostat (4th gen)** installs.
