

Your Nest Pro ID Smarter than stickers

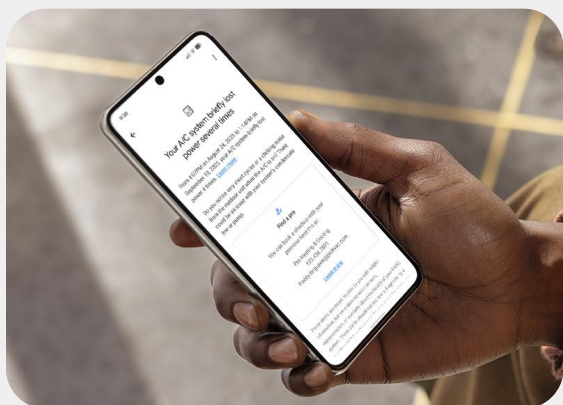

Enter your Nest Pro ID at installation to ensure that customers get alerts.

One-tap contact makes it easy for customers to book directly with you.

Your Nest Pro ID is your key to connecting with customers, unlocking valuable benefits, and offering extended warranties.

Win new business with HVAC System Health Monitor¹ (formerly HVAC monitoring)

Now with even more system alerts and one-tap contact, HVAC System Health Monitor makes it easier than ever to stay connected to homeowners – a valuable feature in a time when many consumers are looking to get more life from their system.¹

Unlock special pricing on Google Nest

Ask your local stocking distributor about special pricing for high-volume projects, including residential new construction and multi-family opportunities.

Offer exclusive warranties

Nest thermostats get an extended warranty when they're installed by a Nest Pro. Just enter your Nest Pro ID during setup.

¹ Alerts can notify you of a potential issue with an eligible HVAC system. They're meant to provide helpful information, not an endorsement, representation, or warranty of any kind about the health of your HVAC system. Alerts aren't intended to replace a diagnosis by a qualified HVAC professional.

Start unlocking the benefits of a Nest Pro ID today

Step 1

Become a Nest Pro at g.co/nestpro

Step 2

Give your Pro ID to your techs

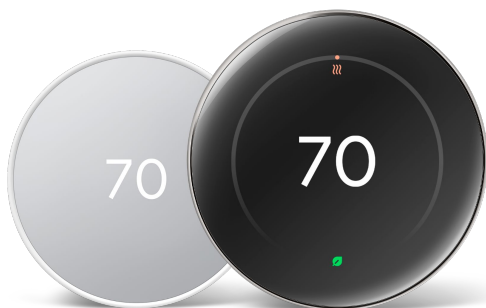

Step 3

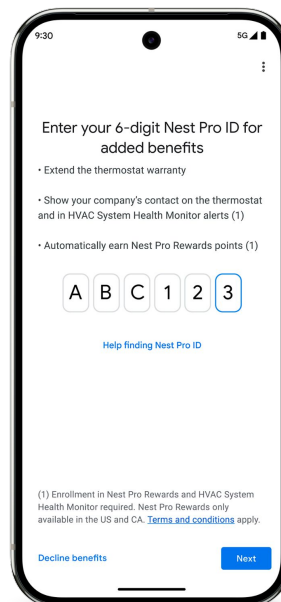

Enter your Pro ID on every Nest thermostat install

How to enter your Nest Pro ID

It takes less than a minute, and means you can receive HVAC repair requests and provide extended warranties.

At installation, enter your Nest Pro ID on the device (**Nest Learning Thermostat 4th gen** only) or in the Google Home app (Nest Learning Thermostat or **Nest Thermostat**). You only need to enter it once in the Google Home app, and your phone will remember it and automatically add it on future installs of the **Nest Learning Thermostat (4th gen)**.
