ACCEPTRICS for Google Customers

Acceptrics offers the Cookie Consent Solution to ever-expanding Privacy Compliance Requirements. Unleash the potential of our features to ensure your website's privacy compliance.

Value Proposition

Why should customers choose ACCEPTRICS

- Banners and consent mode are difficult which is why Acceptrics is the only account-free consent banner.
- Simply customize your banner using our builder and deploy the code to your website.
- Our ideal customers are small/medium advertisers with relatively low traffic who can't afford a commercial banner.

Languages supported: English

Platforms supported: Web (incl. Mobile)
