CONSENTIK

Consentik CMP for Google Customers

Consentik CMP is a Consent Management Platform that helps websites comply with global privacy laws like GDPR, CCPA/CPRA, and LGPD. It fully supports **Google Consent Mode v2** and **IAB TCF v2.2**, and is built for speed, scalability, and ease of use.

Consentik works on any website — including platforms like **Shopify, Wix**, and custom-built sites — making it easy to deploy compliant consent banners across all environments.

Value Proposition

Consentik

Why should customers choose Consentik CMP

- **Full Compliance with Global Privacy Laws**: Built to meet requirements of GDPR, CCPA/CPRA, LGPD, and more — ensuring you stay legally protected across regions.
- **Google Consent Mode v2 & IAB TCF 2.2 Ready**: Seamless integration with advertising tools like Google Ads, GA4, and Meta Pixel, helping you retain data accuracy while staying compliant.
- **Flexible for All Platforms**: Whether you're on Shopify, Wix, WordPress, or a custom-built site, Consentik offers fast and easy deployment.
- **User-Friendly Dashboard & Real-Time Reports**: Monitor consent rates, banner performance, and traffic segmentation with a clean, intuitive dashboard.
- **Scalable Pricing for Every Business Size**: From startups to enterprise agencies, our pricing scales with your traffic — starting at $0/month with full feature access.

Languages supported: French, English, Italian, German, Spanish, Portuguese, and Dutch
