Consent Studio by Vallonic B.V.

The affordable Consent Management Platform starting at €10/month. Unlimited pages. Unlimited sessions. A cookie banner, scanner and explainer in one. No technical knowledge required.

Value Proposition

Why you should choose Consent Studio

€10/month, gracious limits, extend with add-ons

Consent Studio believes a CMP should be affordable, efficient, and easy to scale. Our feature-packed platform starts at just €10/month — with no limits on pages, users, or sessions. Customize with add-ons and pay only for what you use, thanks to simple metered billing for consent actions.

With Consent Studio, you get GDPR-compliant consent logging, precise geotargeting, full multilingual support, accessibility tools, and more — everything you need to manage consent with confidence.

Languages supported: all. Support is available in English and Dutch (NL).

Platforms supported: Web (incl. Mobile)

Plans & Pricing*

Essential: Unlimited users. Unlimited sessions. Unlimited pages.
Consent Studio offers an "Essential" plan at €10/month (cancel anytime) or €100/year (paid upfront). Extend your plan with optional add-ons. If you exceed the generous monthly limit for consent actions, simple metered billing applies for the overage.

Professional: Agencies & bigger websites that want to capture and retain more data.
With two exclusive features, HTTP Consent Cookies and Consent Reprompting, Consent Studio Professional is extremely useful for agencies to capture more measurement data.

Partner Program
Become a Consent Studio Partner and purchase our plans at highly reduced rates to resell to your own customers.

All plans include the implementation of Google Consent Mode.

---

* When selecting a service tier and particularly when choosing a free tier, please be sure to check whether your business needs can be met within the conditions, limitations and caps applying to the tier in order to avoid disruption and discontinuity to measurement

Disclaimer: Subject to change at any time; CMPs should be contacted directly for the latest information on their services.

Implementation support

All customers can get in touch with Consent Studio through the live chat in the dashboard or by emailing support@consent.studio for support with implementing Consent Studio on their website. Furthermore, extensive documentation is readily available in the [help center](#).

Enterprise customers (including government bodies) can request a dedicated contact person and a custom plan that respects purchasing conditions and includes an SLA and/or serviced implementation.

Troubleshooting support

For troubleshooting, you can contact Consent Studio through the live chat in the dashboard or by sending an email to support@consent.studio.

A good starting point for troubleshooting is [this help center article](#).

How to get in touch

If you need any assistance from the Consent Studio team, please do not hesitate to contact support@consent.studio or to use the live chat on our website and in the user dashboard.

All contact methods [are listed here](#).
