

What attitude should a smart netizen have?

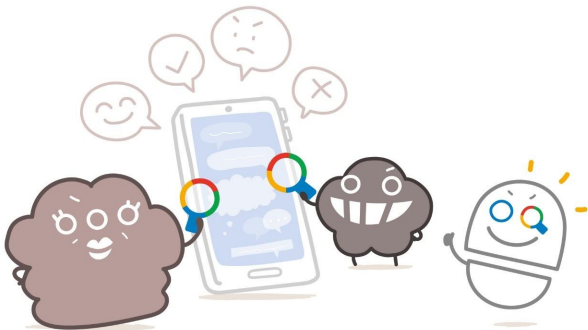

Let's see what Dustykid asks when he meets the "GO-To Expert" for safer internet tips.

(To be continued)

What attitude should a smart netizen have?

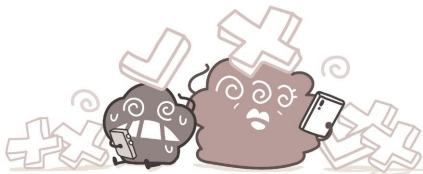

GO-To Expert

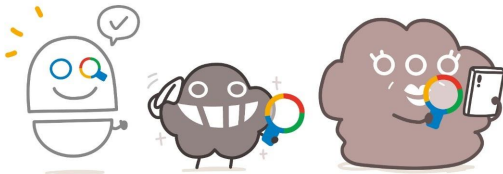

BE #SMART

and fact-check the information you get

BE #SMART and fact-check the information you get

Every day, we come across lots of information.
How can we know what is true and what is fake?

Fact-check before you share and help
stop the spread of misinformation.

What attitude should a smart netizen have?

GO-To Expert

BE #ALERT
to avoid online scams

BE #ALERT to avoid online scams

If it's too good to be true, beware!
Be cautious when receiving messages about winning
a large sum of money or valuable prize.

Stay calm and say NO to online scams.

What attitude should a smart netizen have?

GO-To Expert

BE #STRONG

in safeguarding your online security

BE #STRONG in safeguarding your online security

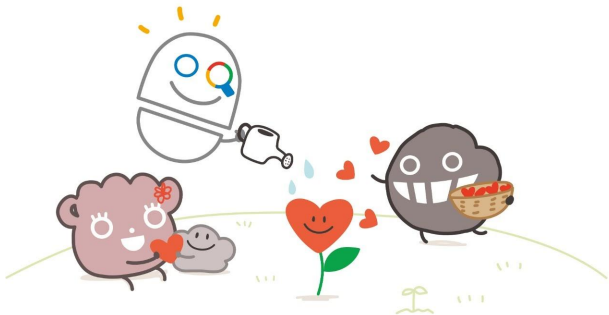

Make the security check a habit, like how you exercise and stay healthy.

You can easily manage your digital footprints and account safety at your fingertips.

What attitude should a smart netizen have?

GO-To Expert

BE #KIND

to others always, online and offline.

BE #KIND to others always, online and offline.

Let's sow the seeds of kindness together!
