

Google Workspace for Education

Learn and collaborate from anywhere

Education Fundamentals is a suite of easy-to-use tools available at no charge that provides a flexible and secure foundation for learning, collaboration, and communication – all in one place.

Boost collaboration

Make it easy and seamless for everyone in your school community to collaborate, communicate, and participate in real time.

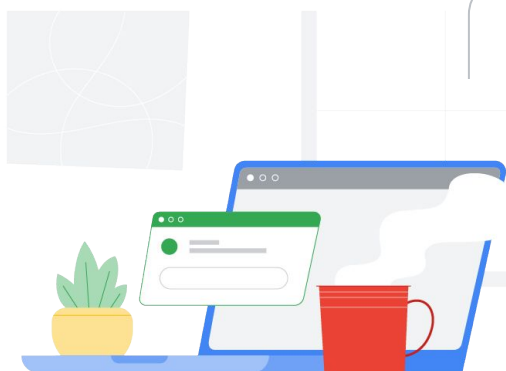

Amplify productivity

Educators can save time by creating, organizing, sharing, and grading coursework all in one place. With a single sign-on, everyone can access all of their files on any device.

Enable digital learning on a secure platform

Rely on best-in-class, multi-layered security with built-in and automated features that simplify security management.

170+ million

More than 170 million students and educators are using Google Workspace for Education.

Google Workspace for Education

Make every minute of learning count

Education Fundamentals is a suite of tools available at no charge that enables collaborative learning opportunities through a secure platform – featuring Classroom, Google Meet, Drive, Docs, Forms, Slides, Chat, Gmail, and Calendar.

Collaborate

- Collaborate in real time with Google Meet, Docs, Sheets, Slides, Sites, and Jamboard
- Communicate with learners, educators, guardians, and administrators from anywhere with Google Meet, Chat, and Gmail
- Join virtual meetings directly from a Google Calendar event, email invite, Gmail, Docs, Sheets, Slides, or Google Classroom
- Enable an inclusive learning environment with individual accessibility settings that fit each student's unique learning style

Productive

- Help educators save time with Classroom and Assignments by easily creating courses, organizing classwork, distributing tests, and sharing rich feedback
- Keep grading and feedback consistent and transparent with rubrics and a comment bank
- Help educators streamline workloads by posting and scheduling coursework and building to-do lists in Classroom
- Streamline classroom workflows by easily being able to find appropriate YouTube videos or use Picture-in-Picture view to boost multitasking

Secure

- Rely on Google's data protection practices, which are in compliance with rigorous privacy and security standards and are audited by third parties
- Extend security to all your devices with mobile device management and get the same protections from any device
- Enable security key enforcement and 2-step verification for an extra layer of authentication
- Protect sensitive data in Gmail and Drive with automated data loss prevention (DLP)

Get the storage you need

Rely on ample storage with 100 TB of pooled cloud storage shared by your organization.

Upgrade to premium tools

Pick what's right for your institution, depending on your needs:

[Education Standard](#) for security and analytics enhancements

[Teaching and Learning Upgrade](#) for tools to improve the digital learning environment

[Education Plus](#) for a comprehensive upgrade and true digital transformation
