

Google Workspace
for Education

Foundational tools for teaching and learning

Education Fundamentals is a suite of easy-to-use tools – available at no charge* – that provides a flexible and secure foundation for learning, collaboration, and communication.

Boost collaboration

Make it easy and seamless for everyone in your school community to collaborate, communicate, and participate in real time.

Amplify productivity

Save time by creating, organizing, sharing, and grading coursework all in one place. With a single sign-on, educators and students can access all of their files on any device.

Enable digital learning on a secure platform

Rely on best-in-class, multi-layered security with built-in and automated features that simplify security management.

+170 million

students and educators
around the world use Google
Workspace for Education.

Google Workspace for Education

Make every minute of learning count

Education Fundamentals is a suite of tools available at no charge that enables collaborative learning opportunities on a secure platform – featuring Google Drive, Docs, Classroom, Forms, Slides, Meet, Gmail, Calendar, the Gemini app, and more.

Collaborate

- **Collaborate in real time** with Google Docs, Sheets, Slides, and Sites
- **Communicate with learners**, educators, guardians, and administrators from anywhere with Google Meet and Gmail
- **Join virtual meetings** directly from a Google Calendar event, email invite, Gmail, Docs, Sheets, Slides, or Google Classroom
- Enable an **inclusive learning** environment with accessibility settings that fit each student's unique learning style
- Provide students with tools that are optimized for low-bandwidth and **work offline**

Productive

- **Help educators save time** with Classroom and Assignments by easily creating courses, organizing classwork, and distributing tests
- Keep **grading and feedback consistent** and transparent with rubrics and a comment bank
- Get **added generative AI data protections** when chatting in the Gemini app
- **Streamline workloads** by automatically organizing files and alerting students about deadlines or missing work
- **Guide critical thinking** and academic integrity with originality reports

Secure

- **Robust privacy and security protections** support global education compliance requirements
- Provide an **ad-free** environment across Google Workspace for Education apps
- **Block 99.9% of spam**, phishing attempts, and malware in Gmail
- **Institutions own their data** and admins have full control and visibility to manage their data
- View **potential security threats** against your domain in the Alert center
- Prevent unsafe practices with log events of **user and administrator activity**

Get the storage you need

Rely on ample storage with 100 TB of pooled cloud storage shared by your organization.

Upgrade for premium capabilities

Choose the edition that's right for your institution:

Education Standard for advanced security and management tools to help you proactively protect against digital threats.

Education Plus for an all-in-one solution, with advanced security and management tools, and premium teaching and learning capabilities.
