

# Google Workspace for Education

## Learn and collaborate from anywhere

Education Fundamentals is a free suite of easy-to-use tools that provides a flexible and secure foundation for learning, collaboration, and communication – all in one place.

### Boost collaboration.

Make it easy and seamless for everyone in your school community to collaborate, communicate, and participate in real time.

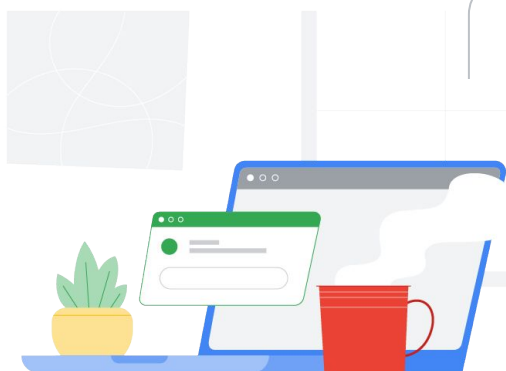

### Amplify productivity.

Educators can save time by creating, organizing, sharing, and grading coursework all in one place. With a single sign-on, everyone can access all of their files on any device.

### Enable digital learning on a secure platform.

Rely on best-in-class, multi layered security, with built-in and automated features that simplify security management.

## 170+ million

More than 170 million students and educators are using Google Workspace for Education.

# Google Workspace for Education

## Make every minute of learning count

Education Fundamentals is a free suite of tools that enables collaborative learning opportunities through a secure platform – featuring Classroom, Google Meet, Drive, Docs, Forms, Slides, Chat, Gmail, and Calendar.

### Collaborate

- Collaborate in real time with Google Meet, Docs, Sheets, Slides, Sites, and Jamboard
- Communicate with learners, educators, guardians, and administrators from anywhere with Google Meet, Chat, and Gmail
- Enable an inclusive learning environment with individual accessibility settings that fit each student's unique learning style

### Productive

- Help educators save time with Classroom and Assignments by easily creating courses, organizing classwork, distributing tests, and sharing rich feedback
- Keep grading and feedback consistent and transparent with rubrics and a comment bank
- Help educators streamline workloads by posting and scheduling coursework and building to-do lists in Classroom
- Guide original thinking and academic integrity with quick scans to flag citation issues in originality reports

### Secure

- Rely on Google's data protection practices, which are in compliance with rigorous privacy and security standards and are audited by third parties
- Extend security to all your devices with mobile device management and get the same protections from any device
- Enable security key enforcement and 2-step verification for an extra layer of authentication
- Protect sensitive data in Gmail and Drive with automated data loss prevention (DLP)

**Get the storage you need.**  
Rely on ample storage with 100 TB of pooled cloud storage shared by your organization.

### Upgrade to premium tools.

Pick what's right for your institution, depending on your needs:

[Education Standard](#)  
for security and analytics enhancements

[Teaching and Learning Upgrade](#) for tools to improve digital learning environment

[Education Plus](#) for a comprehensive upgrade and true digital transformation

[Learn more](#) about each edition.
