

Certificate

Certificate number: 2016-005d

Certified by EY CertifyPoint since: December 18, 2018

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015/A1:2020, the Information Security Management System as defined and implemented by

Google LLC*

located in Mountain View, California, United States of America is compliant with the requirements as stated in the standard:

ISO/IEC 27018:2019

Issue date of certificate: May 3, 2021

Re-issue date of certificate: November 30, 2022

Expiration date of certificate: May 14, 2024

Last certification cycle expiration date: May 15, 2021

EY CertifyPoint will, according to the certification agreement dated May 23, 2022, perform surveillance audits and acknowledge the certificate until the expiration date noted above or the expiration of the corresponding ISO/IEC 27001:2013 certification with certificate number 2012-001e.

**The certification is applicable for the assets, services and locations as described in the scoping section at the back of this certificate, with regard to the specific requirements for information security as stated in the Statement of Applicability dated September 12, 2022.*
