

# Google Fiber Plans & Pricing

## Gigabit + TV

\$120/mo

~~\$300~~ waived construction fee

### The Full Google Experience

Experience the Internet like never before. Instant downloads. Crystal clear HDTV. And endless possibilities.

Up to one gigabit upload & download speed • Full channel TV lineup  
2 year contract • No data caps • Nexus 7 tablet • TV Box • Storage Box  
Network Box • 1TB Google Drive • \$120/mo + taxes and fees

#### Google Drive

Keep everything. Share anything. Google Drive is everywhere you are – on the web, in your home, at the office and on the go.

#### All your favorite channels

With Google Fiber you have access to a wide range of channels plus unique content. Watch all your favorite channels and discover new ones.

#### TV Box

Get access to live TV, on-demand shows, and Internet content. Every TV Box is HD-ready, so there are no extra monthly fees to watch HD.

#### Your new remote

Google's new Android tablet, the Nexus 7, is free with this package. Seamlessly search, discover, and play. From any room.

#### Storage Box

With two terabytes of storage, you can record all your favorite TV shows (up to eight at once). Even add your own photos, videos, and music.

#### Network Box

Access Google Fiber by connecting to one of the four 1 Gbps Ethernet ports or the high-speed Wi-Fi. Stay safe with the gigabit firewall.
