How to join your GenAI Session?
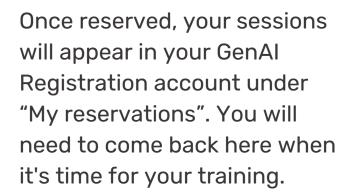

Please follow the steps outlined below in order to join your scheduled GenAI session(s).

STEP 1

Once reserved, your sessions will appear in your GenAI Registration account under "My reservations". You will need to come back here when it's time for your training.
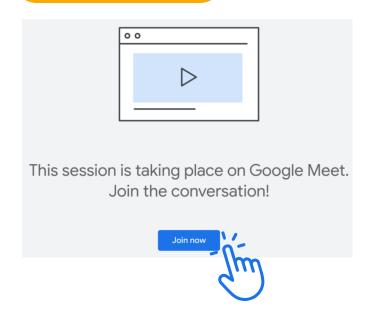

STEP 2

When it's time for your training, log back into your account, navigate to "My reservations" and a "Join" button will appear against the session once it has started. Click there.
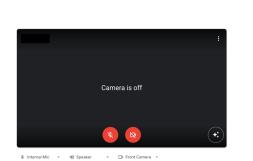

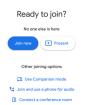

STEP 3

You will be directed to a new page where you will able to join your GenAI session. Click on "Join now".

This session is taking place on Google Meet. Join the conversation!

STEP 4

Lastly, you will see a Google Meet that you need to join and you are ready to start your GenAI learning!
