

Certificate

Certificate number: 2012-001a

Certified by EY CertifyPoint since: May 11, 2012

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015, the Information Security Management System as defined and implemented by

Google LLC*

located in Mountain View, California, United States of America is compliant with the requirements as stated in the standard:

ISO/IEC 27001:2013

Issue date of certificate: April 13, 2018

Re-issue date of certificate: December 18, 2018

Expiration date of certificate: April 13, 2021

Last certification cycle expiration date: April 14, 2018

EY CertifyPoint will, according to the certification agreement dated February 22, 2016, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

**The certification is applicable for the assets, services and locations as described in the scoping section on the back of this certificate, with regard to the specific requirements for information security as stated in the Statement of Applicability, v1.2 dated October 4, 2018.*

J. Sehgal | Director, EY CertifyPoint

This certificate is not transferable and remains the property of Ernst & Young CertifyPoint B.V, headquartered at Antonio Vivaldistraat 150, 1083 HP Amsterdam, the Netherlands. The content must not be altered and any promotion by employing this certificate or certification body quality mark must adhere to the scope and nature of certification and to the conditions of contract. Given the nature and inherent limitations of sample-based certification assessments, this certificate is not meant to express any form of assurance on the performance of the organization being certified to the referred ISO standard.
