Optimized for Web and Mobile Apps: fast, smooth performance on iOS, Android, and web platforms.
Simple Integration: quick setup with a script or Google Tag Manager.
Enhanced Consent Rates: tools to maximize consents and handle rejections tactfully.

Languages supported: italian, english, german, french, portuguese, espanol

Platforms supported: Web (incl. Mobile)   iOS   Android

Plans & Pricing*

No setup fee. Monthly fee based on actual page views.

Our pricing is based on site traffic, starting at €15 for up to 250,000 monthly pageviews and scaling automatically with your pageviews.

For websites exceeding 20 million monthly pageviews, we offer custom pricing.

Additionally, our professional services are backed by a team of experienced experts to support our clients.

_All plans include the implementation of Google Consent Mode_
