This certification examination was conducted by Ernst & Young CertifyPoint B.V., an independent entity from Ernst & Young LLP that performed a separate AT-210 Report issued annually in accordance with the AICPA Attestation Standards on the same subject matter included in the scoping section of this ISO Certification. That report may be found on the Google compliance center website and also requested from Google.

This certificate is not transferable and remains the property of Ernst & Young CertifyPoint B.V., located at Antonio Vivaldistraat 150, 1083 HP, Amsterdam, the Netherlands. Any dispute relating to this certificate shall be subject to Dutch law in the exclusive jurisdiction of the court in Rotterdam. The content must not be altered and any promotion by employing this certificate or certification body quality mark must adhere to the scope and nature of certification and to the conditions of contract. Given the nature and inherent limitations of sample-based certification assessments, this certificate is not meant to express any form of assurance on the performance of the organization being certified to the referred ISO standard. The certificate does not grant immunity from any legal/ regulatory obligations. This certificate does not authorize the labelling of products or services. All rights reserved. © Copyright

Scope for certificate 2021-024

The scope of this ISO 9001:2015 certification for the Google Cloud Quality Management System (QMS) is limited to the software development, deployment, and customer support processes for Enterprise Customers applicable to the product areas as listed below. The details of the product areas and locations in scope of this certification are included in the respective certificate extract of each product area.

- Google Cloud Platform
Certificate extract number: 2021-024a
- Google Workspace
Certificate extract number: 2021-024b

The Quality Management System is centrally managed out of the Google LLC headquarters in Mountain View, California, United States of America. The Quality Management System mentioned in the above scope is restricted as defined in 'Google Quality Management System (QMS) Implementation Manual', reviewed on March 20, 2026, by the Global Lead Google Cloud Certifications at Google Cloud.

This scope is only valid in connection with certificate 2021-024.
