Consent Banner and Consent Mode implementation steps

👆 Self serve available

Get started in 3 easy steps

- Install the Wordpress Plugin and create an account on WPLP Compliance Platform.
  Installing-and-creating-your-free-account-with-wp-cookie-consent
- Follow the Create Cookie Banner Wizard to setup a cookie consent banner on your website.
  Getting-started/setup-wizard
- Setup Google Consent Mode
  Implementing-google-consent-mode-using-wp-cookie-consent

The consent banner can subsequently be customized, but is configured automatically based on the questions the user provided.

🕐 Average time taken to implement a banner & Google Consent Mode: **15-20 mins**
